El Salvador is located to the Southwest of Central America and on the Pacific Ocean coast, with a territorial extension of 20,742Km². It is bordered to the North and Northeast by Honduras, to the West by Guatemala, and to the South by the Pacific Ocean. The population is approximately 6.7 million inhabitants.

El Salvador’s official language is Spanish; however, English is spoken in almost all tourist areas.

Its climate is constant almost all year round, the rainy season is from May to October and the dry season is from November to April. The average high temperature is 20°C and the average low temperature is 19°C.

Electricity is available throughout the country with 110 volt A.C. current.

El Salvador’s time zone is one hour behind Eastern Standard Time (-6GMT).

The current currency in circulation in El Salvador is the US Dollar. Since 2021, Bitcoin is also a legal currency.
